Istanbul-based private equity firm Globalturk Capital said it has invested in Tempo Cagri Hizmetleri A.S., a call center company in Turkey

The investment was made by providing matchmaking services and a co-investment alongside Mitsui & Co ., the firm said.

Baris Oney, the founder and managing partner of Globalturk Capital will sit on the company's board, along with Tempo's founding shareholders and representatives from Mitsui.

Mitsui was introduced to Tempo by Globalturk Capital as a co-investment opportunity late 2011 and its investment marks Mitsui's first such venture-growth investment in Turkey.

The Japanese investment powerhouse is multilaterally pursuing investments in: iron and steel products, mineral and metal resources, infrastructure projects, motor vehicles, marine and aerospace, chemicals, energy, food resources, food products and services, consumer services, IT, finance and new business, and transportation logistics. The firm said it has plans to explore investment opportunities in Turkey further.
